

## What readers are saying about *The Biggest Lie Ever Believed.*

*“Mike, by education, isn’t a politician, or an economist, or a historian; thank goodness. He is however, honest, intelligent and funny! He wraps common sense logic around a very real problem and presents it with witty humor. He then provides solutions. What else could you ask for?”*

Judi Kohn, former teacher and currently a senior environmental & permitting technician.

*“At first I was totally entertained in the down home, humorous way a dry subject was presented until I realized he wasn’t kidding! Then, I hoped he was wrong, but for the life of me, I couldn’t see where!”*

David Mitchell, real estate broker, entrepreneur.

*“If you are finding happiness in debt — don’t read this book!”*

ZU VIEL GUT IST SCHLECHT — German for:

*Too Much Good Is Bad.*

*“An exhilarating, humorous book filled with irrefutable logic about where you may be heading financially. Mike’s book effectively conveys the fact that living beyond your means and not teaching your children wise money habits dooms one to failure, but even worse, your children also. Finally, a goal without a plan is merely a wish.”*
